BOAT DESCRIPTION

Here's why Gemini 35's are the most successful catamarans ever built. A very shallow draft (only 2 feet 11 inches) allows for more options for anchoring & "beaching", Beam (14 feet) fits standard size slips and standard size travel lift. The Gemini 35 has the interior volume of much larger monohulls at the same price. Fast, level sailing with virtually no heeling. Mainsheet traveler located above and out of the way on the hardtop. Open stern and transom for easy access to docks. Very economical twin 15 HP Yanmar Diesels. All lines lead to the cockpit within easy reach of the Captain/Owner. Large cockpit layout for family entertainment. Pilothouse windows give 360-degree views from the Salon.

SALE PRICE: 189,000 USD
