Exterior : White

Interior : Tan

Fuel : Gasoline

Equipment : 16" Simrad Unit, Fusion Stereo, VHF and Isinglass for the cockpit.

BOAT DESCRIPTION

2001 Pursuit 3000 Express

This sure-footed 30 includes all the necessities to make extended outings a comfortable experience.

Captains operating from the starboard helm will appreciate the large raised windshield that keeps the welded-aluminum frame out of the line of sight in all directions. The 3000 features Pursuit's

trademark tilt-away helm console with easy access to all flush-mounted electronics, and the cabin door, centered on the bridge, slides neatly to the port side.

Seating on the bridge includes a ladder-back-style helm seat for the captain, while passengers and crew enjoy the view from a portside L-shaped lounge seat. Aft of the helm seat is an entertainment center complete with sink and freezer. The angler can watch the spread from a rear-facing seat aft of this entertainment center. All essential equipment can be stored on the port side under the lounge.

Forward on the bow, a total of three hatches and four portholes allows plenty of natural light and fresh air into the cabin. The cabin features all the amenities necessary for an overnight cruise or for extended trips to the islands. The teak-and-holly sole adds a warm feel to the interior, which features a full stand-up head, galley, dinette with convertible bunk and forward berth. Plenty of storage areas are located throughout the cabin.

The cockpit, along with all deck areas, features Pursuit's diamond-patterned nonskid for sure footing. Cockpit coaming bolsters and freeboard height feel just right when fighting a fish or moving about the cockpit. Four Lee's rod holders, bait-prep center with tackle lockers forward on the bridge deck, fish box in the cockpit floor and 30-gallon live well round out the fishing amenities.

The 3000 is constructed from hand-laid fiberglass, with specially formulated resins and a water-barrier outer gel-coat layer for long-lasting protection.

This boat has the following recent upgrades/replacements done:

- New Bottom Paint
- New Upholstery
- Refreshed Engines with less than 10 hours
- New Alternator and Water Pumps
- New flooring in cabin/galley
- New A/C unit with pump

ASKING SALE PRICE: 95,999 USD
