BOAT DESCRIPTION

This V58 Princess Viking sport cruiser has been wellmaintained its entire life and this shows as soon as you step aboard. With great visibility and a dry ride, there are not many expresstyle yachts in this class that are as seaworthy as the V58 powered by lowhour 1100 common rail MANs. Electronic engine controls and powerassisted hydraulic steering ensure the cruising experience is relaxed and entertaining, while an open main deck layout and superb helm position ensure clear sight lines. The owner of MELUSINE has maintenance records of the vessel that can be released upon offer and has had a yacht management team on the vessel since purchase.
