CONSTRUCTION

Builder Ocean Alexander

Designer Ed Monk Jr.

Max Draft 5 ft

Design Elements

Motor Yacht with 3 Luxurious Staterooms + Crew Quarters, each with their own full Heads. A generous 20 foot beam allows for spacious interiors richly accented with teak throughout. Cabinetry, joinery, bull noses and soles are all notable for an impeccable finish. But perhaps it's underneath the yacht's white gel-coat exterior that the designers have given "Memory Bank" her most substantial attributes. Five-inch aluminum I-beams with carbon-fiber cross stringers reinforce the deck, superstructure and flybridge, while three reinforced collision bulkheads and fully finished and lit bilges keep things secure below deck. Guests topside will not know that such a prodigious power plant is driving this yacht because, instead of wood, the designers installed foam insulation between decks, virtually eliminating vibration and unwanted sound.

Salon

Spacious, bright and impeccably finished with ingenious features.

Push-Button Electrically Opening Salon Door

Push-Button HI-LOW Electric Table

BOAT DESCRIPTION

This Non-Charter, yet Long-Range-Proven Motor Yacht, will impress the most discerning of Buyers. World-Class Engineering & Design meets exceptional Craftsmanship & Attention-to-Detail.

She is in Excellent Condition. Boathouse Kept in Brackish Water. Professionally cared for and maintained to "Blank Checkbook" standards. Meticulous Records for the last 5 years are available to qualified Purchasers. Our local Authorized MTU Service Center reports the next major engine service is not due for quite some time at 6000 hours. The relatively more minor 5000 hour service is still over 350 hours (so at least a few years) away, BUT THE SELLER HAS AGREED TO PAY FOR IT. Please inquire for details.

She comes with a substantial "No Expense Spared" Equipment List from the Factory plus a VERY long list of recent upgrades including:

2017 Nuvorania 430DL Deluxe Tender with a 60HP Yamaha Outboard, Electric Downriggers and Trap Puller.

Newer Upgraded Garmin/Simrad Navigational Electronic Equipment, Fusion Stereo Equipment and Marine WIFI System.

New Premium Exterior Flybridge Lounge Furniture and Napoleon Fire Table.

New Flybridge Canvas Enclosure.

Side & Aft Camera System.

Hydronic Diesel Heating System.

Maretron Advanced Engine, Fuel & Battery Monitoring System including all new AGM Carbon Advanced Deep Cycle Batteries (guaranteed for 5 years) installed in 2020.

New Windlass (2023) with a New 75lb Bruce Stainless Steel Anchor with 400' of Chain.

New Premium Upholstery, Blinds and Bedding in various areas throughout.

2 Newer Pelican Premium Canoes and 2 Marine Grade Folding Bicycles included

SALE PRICE : 1,995,000 USD
