Note:

This 2010 Luhrs 37 Canyon Express Sportfish Yacht powered with twin Volvo IPS. Perfect for cruising with the family or hard core fishing. For 37 feet the 37 Luhrs has a ton of volume down below with accommodations up to 5 people, separate staterooms, along with a large command deck and cockpit. "Date Night Keeping it Reel" has been preserved up in the North East a majority of its life with only 445 hours and show very well compared to similar boats of it's age. Between the updated Garmin Electronics and Volvo IPS Joystick system this Luhrs is a breeze to operate.
